There is still time to sign up for Weaster's Walk 5k Fun Run so please tell friends, co-workers and family to go to oakmontcheer.com to register and pay via paypal; OR you can drop registration off in the school office; OR you can even have folks register Saturday at Maidu on the day of the event. I'm hoping the the event is a success as the way the rules have changed in regard to money has made Nationals questionable. In addition, raising some funds to donate to DSUSAFW Disabled Sports USA Far West is something I'm excited about.

Cheers to a fabulous time this Friday and Saturday!

See you soon!
